ZAHRIA LIGGANS, TEEN HYPE ALUMNA AND RISING SOPHOMORE AT HOWARD UNIVERSITY

“I had no idea all that Teen HYPE would provide for me. Teen HYPE’s Peer Education program not only taught me a lot, but they gave me a home away from home. Through the program, I have met some of my closest friends and mentors. As one of the youngest in the program at the time, Teen HYPE allowed me to be the most authentic version of myself as I could be.”

THE COMBINATION OF CONSTANT VALIDATION
TO BE WHOEVER I WANTED TO BE AND
SUPPORT FROM STAFF AND PEERS HAS
SIGNIFICANTLY INFLUENCED
THE PERSON I AM TODAY...

I find that no matter how far I go, or how old I get, Teen HYPE will always be home and the place that took a young, unsure girl and turned her into a strong and determined woman who continues to be destined for greatness.”

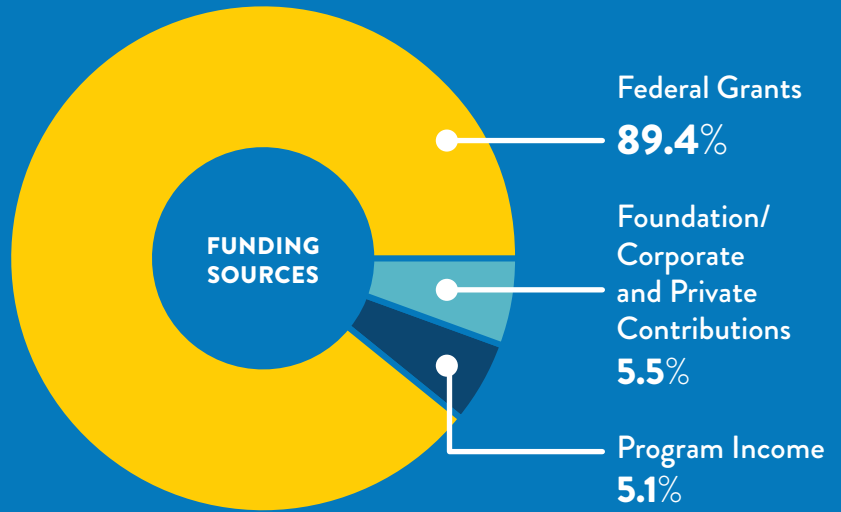

“Our youth age out and new youth step into leadership roles— and I notice that **TIME AFTER TIME THE YOUTH RISE TO THE CHALLENGE AND EXCEED EXPECTATIONS** no matter how high we continue to raise the bar. They actively serve on the board-run meetings, handle follow-up conversations, and lead by example.”

—Callie Thomas, Teen HYPE Staff

TOTAL 2021 REVENUE

\$2.8 MILLION

“I had a girl legitimately ask if a woman could get another woman pregnant. I loved this question because it highlighted that kids don’t know what they don’t know. We would all probably guess that this is common knowledge but it shows that **THERE ARE POTENTIAL EDUCATIONAL GAPS WITH THE STUDENTS WE SERVE**, justifying how important our programming can be.”

—Matthew Goeman, Teen HYPE Staff
